You can directly enter the download area through the URL:

<http://bit.ly/sicma-spare-parts>

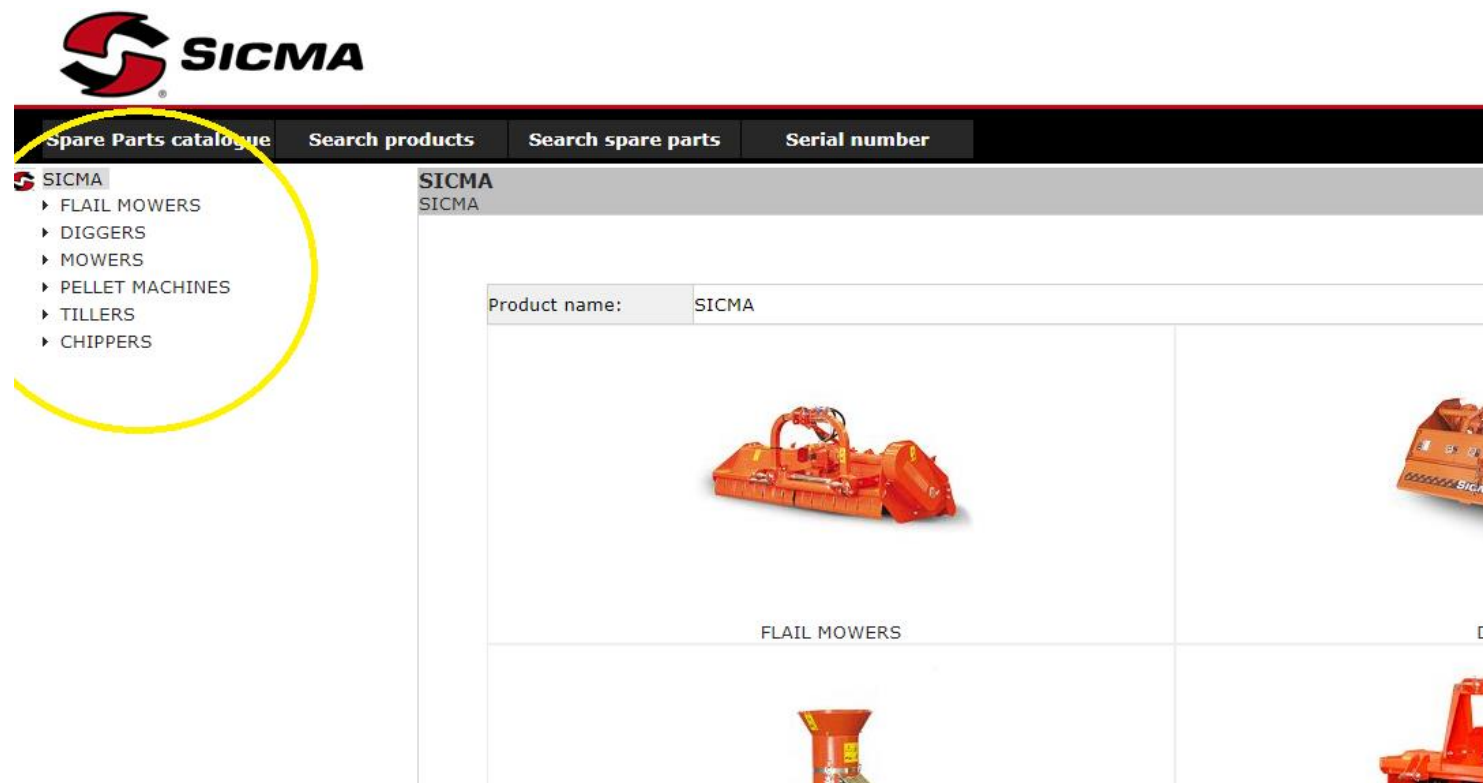

Then, sign in with the username and password we provided to you

A screenshot of a 'Catalogue Login' form. The form has a black header with the text 'Catalogue Login'. Below the header, there are two input fields: 'Username: sicma@sicma.it' and 'Password: *****'. A yellow oval highlights these two fields. Below the password field is a black 'Login' button. In the bottom right corner of the form, there is a red logo and the text 'Components Engine 6'.

Choose the product, model and revision...

The screenshot displays the SICMA website interface. At the top left is the SICMA logo. Below it is a navigation menu with four tabs: "Spare Parts catalogue", "Search products", "Search spare parts", and "Serial number". The "Spare Parts catalogue" tab is highlighted with a yellow circle. To the right of the menu is a sidebar with a tree view of product categories: SICMA, FLAIL MOWERS, DIGGERS, MOWERS, PELLET MACHINES, TILLERS, and CHIPPERS. The main content area shows a search result for "SICMA". A "Product name:" field contains the text "SICMA". Below this is a grid of four product images. The first image is a large orange flail mower, with the text "FLAIL MOWERS" centered below it. The second image is a smaller orange machine, with the text "DI" centered below it. The third image is a red hopper, and the fourth image is a red machine.

Or, from one of the parts sections, the same button will download the parts for that section only

The screenshot shows the SICMA website interface. The top navigation bar includes the SICMA logo, user profile 'sicma', language 'Italian', and a search bar with 'Codice' and a search icon. Below the navigation bar, there are tabs for 'Catalogo ricambi', 'Ricerca prodotti', 'Ricerca ricambi', and 'Matricola catalogo'. The left sidebar lists a hierarchy of products, with 'ATTACCHI MOBILI AL TRATTORE' highlighted in yellow. The main content area displays a detailed exploded view diagram of a tractor attachment mechanism with numbered parts (1-38). A smaller inset diagram shows a close-up of a specific component with parts numbered 21, 51, 50, 49, and 48. In the top right navigation bar, a download icon (a document with a downward arrow) is highlighted with a yellow circle.

Thank you!
